Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 01 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright or sunny spells with chance of a shower.

Today:
Early cloud clearing south, with brighter or sunny spells following. A mostly dry day then expected, with variable cloud and just the outside chance of a shower, mainly over the Pennines. Moderate coastal winds. Maximum temperature 17 deg C (63 deg F).

Tonight:
A fine night is in prospect with some clear spells and variable amounts of cloud. Cooler than of late with winds light. Minimum temperature 8 deg C (46 deg F).

Monday:
After a chilly start, Monday looks set to be mostly dry with bright or sunny spells and winds remaining light. Chance of a light afternoon shower. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday mainly fine with some sunshine but increasing risk of showers by Wednesday afternoon. Breezier by Thursday with showers and a chance of rain later with increasing cloud.
